V0.6.0.0

Walkthrough

GENERAL INFORMATION

A. Dates

Starting from v0.6.0.0, you can now ask a character to go on a date. By dating them, you can unlock a new sex scene for that specific character in a specific location.

Ask for a Date

To ask a character out on a date, you need to first meet the character, start a conversation, and then click the “Ask for a Date” button. Here is the list of available datable characters:

No	Name	Datable	Requirement
1	Akari Tsumugi	✓	Love > 20; Done 'Help with Photoshoot';
2	Meguri	✗	-
3	Suzumori Remu	✓	Love > 20; Done 'Bar Drink 2';
4	Suzu Honzo	✗	-
5	Saeko Matsushita	✗	-
6	Yuu Shinoda	✗	-
7	Yume Nishimiya	✗	-

After selecting a character, you can choose the date and time. Here are the available time slots for a date:

No	Time
1	Tonight (19.00)
2	Tomorrow night (19.00)

Once you set the date, it cannot be changed or rescheduled. Therefore, make sure to choose a time you can commit to, or be prepared to cancel the appointment if necessary.

Cancel the Date

If you have already set a date, you can still cancel it by following the same steps you used to set it up: meet the character, start a conversation, and then click the "Cancel a date" button. However, canceling the date will result in a loss of 2 love points for that character.

Initiate the Date

You can start the date anytime between 2 hours before and 2 hours after the scheduled time by simply clicking the 'date' button in the action menu. The following table shows the bonus scores related to the initiation time:

No	Time Range	Bonus Date Score
1	17.00 - 18.59	+10 Point
2	19.00 - 19.59	-
3	20.00 - 20.59	-10 Point
4	21.00	-25 Point

Starting the date earlier than the appointed time will adjust the in-game time to match the date's scheduled time. However, no time adjustments occur if the date starts after the appointed time.

If you do not initiate the date within the specified time range, the date will be automatically canceled, resulting in a loss of 10 love points for that character.

Once the date begins, you have to choose the location for the date, which is currently limited to the bar.

Your goal during the date is to achieve a 100% date score within the designated time range (*Specifically, for night dates, between 19:00 and 23:59*). If the time exceeds the time range, you can no longer start conversations, except to exit and finish the date.

Date Activity

During your date, there are various actions you can take based on the specific location. Below is a table outlining the available actions for each location during the date:

Activity	Limit	Time	Date Score	Love Point
Casual chat	1	+15m	+10 / -10 point	+1 / -1 point
Tell a joke	1	+15m	+10 / -10 point	+1 / -1 point
Give a compliment	1	+15m	+10 / -10 point	+1 / -1 point
Gossiping	1	+15m	+10 / -10 point	+1 / -1 point
Give a gift	1	+15m	+10 / -10 point	+1 / -1 point
Give a hug	1	+15m	+10 / -10 point	+1 / -1 point
Give a kiss	1	+15m	+20 / -30 point	+1 / -2 point
Playing pool together	1	+60m	+10 point	+1 point
Treat a beer	3	+30m	+10 point	+1 point
Treat a food	1	+60m	+10 point	+1 point

Conclude the Date

After exiting and finishing the date, your score is calculated. A date score of 60% or below is considered a failure, resulting in a -2 Love Point deduction for the character you dated. A score above 60% is considered a success, earning you +1 Love Point. If you achieve a perfect 100% score, you can ask the character to continue to another location (*currently limited to your home*), where you can watch a sex scene with the dated character. Otherwise, the character will decline your invitation.

Date Misc
